

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **Bath Twp v Eric W Crosley**
Docket No. **268625**
L.C. No. **06-009966-AV**

William C. Whitbeck, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10), orders:

The motion to waive fees is GRANTED for this case only.

The application for leave to appeal, the motion for immediate consideration, the motion for stay, and the motion to waive the transcript requirement for the motion for stay are DISMISSED for failure to pursue the case in conformity with the rules. MCR 7.201(B)(3) and 7.216(A)(10). This Court provided notice regarding the nature of the defects in this filing, and the defects were not corrected in a timely manner by providing this Court with five copies of an application for leave to appeal that conforms to MCR 7.212(C) and a proof of service that appellant sent a copy of the conforming application to opposing counsel. Unfortunately, this Court could not accept the last application that appellant filed since it combined the statement of facts and the argument section into one segment in violation of MCR 7.212(C)(6) and 7.212(C)(7). Dismissal is without prejudice to whatever other relief may be available consistent with the court rules.
